**This hidden gem is a unique place where serenity meets convenience. Surrounded by parkland, birdsong and ancient eucalyptus trees, it is hard to believe you are only 5km from the CBD.**

Mercy Place Apartments Parkville is the ideal place to connect to nature — and the city. Explore your surroundings with family and friends, walk the dog and let your senses roam.

Located within the Commonwealth Games Athletes' Village, this friendly and caring retirement community features one, two and three-bedroom apartments. Many of the apartments boast balconies where you can drink in the city view along with your morning coffee.

Make the nearby Puckle Street and Lygon Street café and shopping precincts your second home or take leisurely strolls with friends through the surrounding parklands. The Reggio Calabria Club offers authentic Italian cuisine just a short walk from your doorstep. You could also try a different type of 'club', with the Royal Park Golf Course only a couple of kilometres away.
