Location and lifestyle

Welcome to Mercy Place Rice Village: our close-knit community in the peaceful surrounds of Marshall, just minutes from the Geelong CBD.

With close proximity to public transport, shopping opportunities, nature reserves and the beach, you can sip a latte in the city, have a picnic or explore the coastline — the choice is yours.

Mercy Place Rice Village is not far from the Geelong Botanic Gardens and the Geelong Waterfront.

Perched on the gateway to the rugged natural beauty of the Great Ocean Road, our village is a social and supportive community where you'll feel the warmth of friends and neighbours.

The village offers a community activities area where residents can socialise over lunch or join in enjoyable pastimes including games and a Friendship Club. Every Friday is happy hour at the club lounge where everyone is welcome.

For convenience, residents can purchase milk, bread and other general essentials from the precinct kitchen.

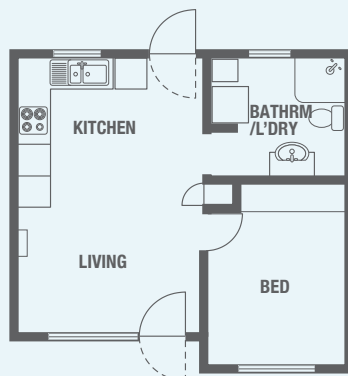

With our residential aged care home in the precinct, Mercy Place Rice Village is the perfect option for couples who may have differing care needs now or in the future.
